About Our Company

We specialize in printing on all chinaware and glassware. With over 30 years of ceramic printing experience, Dar-Mar can offer one color to multi-color and 4 color process printing for chinaware and glassware. All our ceramic products are baked at 1350 F, and glassware at 1150 F, making the imprint 100% dishwasher safe. All production is completed in house, which allows for quick turnaround times, and efficient service.

Check out our website to see what items we regularly have available. If you are interested in an item that is not in our catalogue or website, let us know and we may be able to source it for you.
